Dear Parents/Carers,

At a recent PTA meeting it was suggested that we may like to include a piece about the funds raised during recent years by the PTA. We are sure you will be impressed by the amount that is raised. During the last 4 years the PTA has raised nearly £50,000! This money has paid for the Adventure Trail, climbing apparatus, benches, improvements to the small playground, classroom allowances, library redevelopment, hall curtains and lighting, trophy cabinets, various gardening club expenditure, PE equipment, digital cameras as well as various other items and events such as the Year 6 leavers disco, provision of Christmas crackers etc. Clearly this level of fundraising makes a significant difference to the life of the school and we are sure that you would like to join us in thanking the PTA and friends for their tireless efforts to benefit the

children of Fleetville.

The recorder players from all years will be performing a concert at 9am on 21st May in the hall. Parents of those children are very welcome to attend. We will also be inviting the Year 2 recorder players.

Jeremy Loukes and Kathryn Ball

Dear Children,

You heard about the Penalty Shoot Out in our assembly this morning. Remember what you were told about the various prizes available and especially the information about who to ask for sponsorship.

It has been nice to see the sunshine this week. In these warmer temperatures it is particularly important to bring plenty of water to school. You may also want to bring a cap to wear during the lunch break.

The total distance travelled across Africa this week in our virtual bike race is 2830km and the class that have travelled the furthest is 5T! When we told Jason the distance we travelled last week he informed us that only one other school managed to get further than us! Well done-keep it up!

We received an e-mail to tell us that we are record breakers! 7.5 million people took part in the 'World's Biggest Lesson' worldwide, with an estimated 250,000 people taking part in the UK. This easily

Dates for your Diary

12/5/08	Y6 SATs

beats the previous record. What a great message to send to the world leaders about how important education is!

Team.
Mr Loukes and Mrs Ball

Congratulations

It is a good idea to bring a snack to school for morning break, but please can you remember to keep it in your bag rather than your lunch box. No one should be going into the dining hall during break to take things out of their lunch box. You could have a look at our 'healthy schools' display board for ideas of tasty fruits or vegetables you could bring.

The growing area at the bottom of the field is looking great thanks to the hard work of the gardening club and Mrs Almond. All of your classes will be able to visit at some point during the next few weeks. There is a limited number of spaces at the Wednesday lunchtime club. If you would like to join, please speak to the office staff.

The girls' football team played at Clarence Park this week. They showed that they have great potential and, as several of the team are in Year 4, they have obviously got a good few years ahead of them. They came joint third in the competition and showed a positive attitude throughout. Thank you for representing Fleetville so well! Many thanks also to Neil Pearson and Chantelle for training and encouraging the team.

Next week is SATs week for Year 6. Make sure you get plenty of rest over the weekend and remember to have a good breakfast each day!

Well done to Alex Lee and Jamie Moroney who have been picked to play for the St. Albans Youth Basketball
