Dear Parents/Carers,

Work on the toilet refurbishment is proceeding well - the walls have been decorated, the floor has been laid and some of the structural work for the cubicles has been installed. Fingers crossed, the job will be completed in record time and the children will be able to begin using the new facilities.

We are sure you would like to join us in congratulating Mr Yeldham on the birth of his daughter. Mr Yeldham will take the second of his two weeks of paternity leave next week and will be back thereafter.

There is one space in the beginners saxophone group. Please contact Jane in the office if you are interested.

Year 6 are going to watch a performance of STOMP in London next Thursday afternoon. There are a few spare adult tickets—£23.50 including transport by coach. Please contact Jane in the office if you are interested!

There is a limited number of spaces available at 'Mad Science', basketball, football, karate and yoga clubs. Collect a form from the office—first come, first served.

We are hoping to start up an exciting new after-school club on a Wednesday. It will be an indoor based gym session which will include keep fit, floor

exercise, circuit training, games and lots more. If you think you would be interested, please register your interest at the school office as soon as possible.

Jeremy Loukes and Kathryn Ball

Nexus News

INTERNET SAFETY – Should You Be Concerned? - Wednesday, 6th February 2008

You are invited to join us for an evening to listen to thought provoking information regarding your children and how they use their computers, phones, etc. **Some of the facts can be disturbing but they need to be heard.** Please come along, participate and learn from Fiona Haynes from The Links ESC. Wednesday, 6th February from 7.00-9.00pm at Verulam School.

NUTRITION INFORMATION EVENING – Thursday, 7th February 2008

"Wholesome Food for Wholesome Kids" – Interactive Evening 6.30-8.00pm – STAGS
"Don't Skip Breakfast" – Interactive Evening 8.15-9.45pm – STAGS

Come and listen to valuable information concentrating on healthy eating, child obesity, behaviour, tune in to teenage eating habits and eating disorders.

Dear Children

3L—thank you very much for your assembly this morning about countries and continents. 'Continent Twister' looked like a fun way to remember the names of the continents! You had obviously carried out some detailed research to find out more about the climate in your chosen holiday destinations! Well done for encouraging so many of your parents to come and watch.

What a wet week we have had—even the netball was cancelled yesterday. Let's hope that the sun comes back for next week. Please remember your coats if it looks as though it will rain—remember to wear them at break and lunchtimes. Remember that we **do** play outside if the rain isn't too hard!

Don't forget to look at the SEAL focus around the school and remember to nominate anybody you see trying really hard to reach their goal.

Thank you to the Year 5 and 6 children who have volunteered to organise clubs this term. It shows how responsible and thoughtful you are. We will not be able to start any new clubs this term but will be looking for some more in the summer term.

The focus for your Learning Journal comments this week is 'RE day'. Please add something about what you learnt on the RE day Mrs Leigh organised last term.

Mr. Loukes and Mrs Ball

Congratulations

Certificates will be presented to the following children on 28th January. Parents/Carers of these children are very welcome to attend:

Year 3

Kauser Hares
Nayeem Ahmed
Tamsin Sandford-Smith
