Dear Parents/Carers,

Members of the School Council will be taking the Poppy Appeal collecting tin around to each class next week so children may like to bring a small donation.

The Tesco Sports Voucher scheme ends on Sunday. If you happen to be shopping at Tesco over the weekend you may find the assistant would like to run down their stock of vouchers!

We have had reports that several children in the lower school have had head lice recently. It may be prudent for parents to check this weekend—thank you.

### Our New Class Playground Equipment

The new playground equipment has just arrived at school. Each class was allowed to choose the equipment that they wanted. The money came from the Parent Teacher Association who we are very grateful to. The children were really excited to get new equipment—now we can get even more active and be more competitive in sport. We can also learn and develop different skills. This will get many more children out and active. We must also remember to respect the new equipment and to look after it.

You should receive details of a valuable new service today. Please read the flyer about the Parent Support Worker. If you would like further information please contact your child's teacher, Jo Maher or the office staff.

The weather forecast looks good for this evening's firework event. Doors open at 5pm with the fireworks starting at 6.30pm.

Dear Children

4T—thank you for your assembly this morning. You reminded us about many of the things we do in school to get and stay healthy. It was great to see you perform your Take 10 routine. It won't be long before every class is doing Take 10 each day.

The girls football team played at Cunningham Hill on Wednesday this week. Through their persistence and great teamwork they won 2-0. Thank you to Neil and Chantelle for all their hard work in training the team. Many thanks also to James for continuing to coach all the budding footballers at lunchtimes.

Our cross country runners competed at Wheatfields School this week with some very respectable performances—thank you for representing our school.

Several Year 4, 5 and 6 children represented our school at the Tag Rugby festival yesterday. They all enjoyed the afternoon and learnt lots.

Well done to all the children that took part in the guy competition. There were 4 entries by:

- Anastasia Raymond
- William Raymond
- Georgia Parrett
- Jacob Bockenbauer
- Johannes Bockenbauer
- Emily Jarman
- James Jarman

It was impossible to judge a winner as each of the 4 entries was so good and

so different. The guys seem to have enjoyed watching 4T's assembly this morning—it will be our turn to watch *them* this evening!

Mr. Loukes
