Dear Parents/Carers,

An increasing number of mobile phones are being brought into school and deposited in the office. Please could parents ensure that their child's phone is clearly named to reduce the time spent returning phones to their owners at the end of the day—a very busy time for office staff!

Please could I remind parents to return tickets for performances that you know you will not be able to attend. They can then be re-allocated to those who have requested additional tickets. There will be no admittance without a ticket—one ticket per person.

Next Friday will be a non-uniform/pyjama day. The School Council have been discussing for sometime, their desire to support the Wish Upon a Star charity. Their aim is to grant the 'wishes' of children suffering from life threatening illnesses between the ages of 2 and 16. Whilst the original idea was to hold a pyjama day, the Council felt that many children would not necessarily be comfortable with that theme and have widened the brief to a non uniform day with those wishing to wear pyjamas being welcome to do so! (Clearly, children should bear in mind the weather and the demands of a day at school in selecting clothes!) Children may like to bring a small donation to support this worthwhile cause.

Dear Children

6M—thank you for your assembly. You reminded us that maths can be fun and that we use it many times each day as we go about our lives. You shared some strategies with us for solving what sound like difficult problems—the 11 times table example was very clever! Can you remember how to work out 11 X 34? You also gave us clear examples of the kind of things that can go wrong when we get measures confused or when we forget to calculate things before we start. I thought the present which turned out to be for someone aged 12 **months** was very funny!

Thank you to all the children who designed a poster for anti-bullying week. The standard of the posters was very high and they all had clear and important messages. The two winners were Emily Whittaker (4W) and Katie Donaldson (4T). You will be able to view their posters on the school website. Look out for other entries around the school!

Several children have been busy this week designing an advert to promote walking and cycling to school for the 'Hertfordshire Digital Film Challenge'. You all showed great commitment. The film being put through to the main competition was created by Emma Goodyear (5B), Felicity Lumley (5B), Sarita Winey (5B) and Anna Marsh (5B). Well done to all of you!

Next Friday is non-uniform / pyjama day. The School Council have decided to support the 'Wish Upon a Star' charity. They will have been telling you about it already and we will hear a little more next week. You should bring a small donation if you would like to leave your school uniform at home next Friday.

Mr. Loukes
