Dear Parents/Carers,

Happy New Year to all those who celebrated Chinese New Year this week!

Thank you to all of the parents and children who placed book orders through the Puffin book club. As about £800 worth of books were ordered, either directly through school or on the website, we have been given the same amount to spend on books for our school library too.

Year 5 Trip

Yesterday 5H went on a school trip to a Reform Synagogue and the County Records Office in Hertford. In the morning we visited the Synagogue and learnt about Jewish festivals and the Jewish way of life. In the afternoon we did three activities. One was about Cholera, one was about prisons and the other about maps. We looked at several maps showing the Fleetville area - it was interesting to see how St. Albans has changed over time. Back in the 1840's, Fleetville was mainly fields! We had a great time and learnt a lot.

Dear Children

6H—Thank you for your assembly this morning. It was great to hear about your goals and it was clear that you had thought carefully about what you will need to do in order to reach them. I am sure when we look back at your class in a few years time we will find out about all the fantastic things you have achieved!

Our speed stacking team were very successful at the festival this week. The girls' relay team came third and the boys' relay team came second. Well done! We will present your certificates in assembly on Monday.

Congratulations to keen readers Emily Reynolds and Anna Roseden. You will be presented with a prize in assembly next Monday, 2nd February, for having taken out and read the most books from our library last term. Look out for lots of new books which will be arriving in our school library very soon. Thanks to everyone who ordered Puffin books the school has been given about £800 to spend on books for the library too.

Thank you to everyone who entered the Bike It design competition. You came up with some very inventive ideas. Congratulations to Toby Palmer whose design won second prize and Kaylah Ferguson who won first prize. All of the designs will be placed on the Bike It display for you to have a look at.
