Friday 10th September 2010

Dear Parents/Carers,

Welcome back!

There is a request below for Parent Reading Assistants - we will shortly be requesting volunteers to help with mental maths, so look out for future newsletters!

Our new fire alarm has now been installed. We had our first fire drill this week to familiarise ourselves with the sound of the new alarm and our escape routes.

Friday assemblies are opportunities for classes to share some of their learning or to present information about events and occasions to their parents and the rest of the school. Classes present two such assemblies over the course of the year and parents are encouraged to attend. Dates for this term are listed overleaf. These assemblies start at 9am.

Parent Reading Assistants

Could you commit to at least one hour per week helping in school by hearing readers?

We are looking for volunteers **across the year groups** to take on this valuable and rewarding role. If you are interested, there will be a short training session (drop in) next Wednesday, 15th September, at 9am in 6B's classroom. We would love to see you - but if you are interested but unable to attend, please let the office staff know.

We will be having a focus on school uniform this year and are looking forward to seeing all children dressed according to the guidelines, which are available on the website. Several children have black trousers and white shirts - please do continue to wear these until they need to be replaced. You should have received a letter about Parent Governor elections this week. Please contact the school office or visit the school website if you did not receive yours.

Finally, we would like to wish all of our Muslim families a happy Eid Mubarak and our Jewish families happy Rosh Hashanah.

Jeremy Loukes and Elaine Bridle
