Dear Parents/Carers,

We are very fortunate to have been offered another scholarship which will enable a child to attend the Best Theatre Arts Academy during the summer holidays. This is open to children in years 4 and 5. If your child is interested in entering a draw to win this fantastic opportunity, they should complete the tear off slip on the letter you should receive today.

Lost Property has been moved to the small room at the back of the dining room. The buckets are overflowing with mostly un-named property - please encourage your child to check whether they recognise anything. There is even a scooter to be claimed, along with those that have been left in the bike shed!

We have been reviewing our absence reporting procedures and would like to remind everyone of the importance of notifying us, as soon as possible, of a child's absence. Many parents have been using e-mail to do this as the school phone lines tend to be rather busy in the mornings. Please aim to let us know by 10.00am so that we can take any necessary action.

## Herts County Show

We have a limited number of complimentary children's tickets for this year's County Show on 29th & 30th May. Please ask at the office if you are interested.

## Leukaemia research charity sale

Amber Tobias, Ruby Tompkins, Hannah Clark, Habiba Baig, Samyuktha Bhagirathy and Poppy Oliver organised this week's charity sale. They raised a massive £135.28 by selling cakes and bracelets in aid of Leukaemia Research. Well done girls! It is always good to see people doing something proactive to help others.

## Twitter Board

You may have seen the new Twitter Board near the library. It is a place to share some of the successes and interesting experiences you have had. It is always interesting to hear about the things you do out of school and the variety of things you achieve. We must remember that we learn both in and out of school.

## Born Free

On the 18<sup>th</sup> of May, Olivia Smith (6MC) and Lydia G (6M) are holding a fundraising event to raise money for a charity called Born Free, which helps wild animals that have been treated badly. There will be a "Guess the lion's name" competition, a cake sale and a spare change collection, held in the small playground after school. The winner of the lion competition will be revealed in assembly the following morning.

Dear Children,

Thank you to 5L for your assembly this morning - you gave us an enormous amount of information about the Aztecs. It was a great idea to take us back in time and to share some of the aspects of their lives. We must remember that the men wore 'tunics' rather than 'skirts'!

Next week is Walk to School Week. You should already have received your diary. It has a simple activity for you to do each day. Let's see which class has the most walkers during the week!

Year 6 - your SATs are over and I'm sure you will really enjoy this weekend! I hope you feel that you have done your best. There are still plenty of interesting activities and experiences to look forward to before the summer. You will soon be visited by representatives from your secondary schools.

Years 3-5 - thank you for considering the Year 6 children during the week and being particularly quiet in the corridors.

Year 3 went on their Alban Way walk yesterday. It is both interesting and useful to know about our locality, its history and the variety of land use. There will soon be some photos showing some of the local sights on the school website.

Mr Loukes
