Friday 21st May 2010

Dear Parents/Carers,

In the newsletter of 29th January 2010 we listed the expectations for school uniform with effect from September 2010. As some parents may be buying uniform during the summer term, they may like to refer to that newsletter which is available on the school website.

Any unclaimed and un-named uniform lost property will be washed and prepared for sale by the PTA during half term.

You may recall that the PTA organised a Fleetville presence at last year's St Albans 'Fun Run'. I am pleased to announce that they have kindly offered to do the same again this year. You should have received a letter earlier in the week explaining the arrangements for taking part. Please complete and return the registration form to the school office by next Friday, 28th May.

We have noticed that several children, who arrive at school early, have been using the tyre park and climbing apparatus. It would be great if you help us by reminding the children only to use the equipment while supervised by a member of school staff.

We have a limited number of complimentary children's tickets for this year's County Show on 29th & 30th May. Please ask at the school office if you are interested.

Dear Children,

Thank you to 3D for your assembly this morning - you reminded us of the importance of body language when we communicate. You shared your class methods for dealing with your worries, including the helping hand. Do you all know who your 5 helpers are?

Well done to Olivia Smith and Lydia Grinsted who organised this week's charity sale. Through their hard work and enthusiasm they raised £101.80 for Born Free - an international wildlife charity.

This week has been Walk to School Week - it has been great to see so many people making a special effort to walk or cycle. We will have to wait until next week to analyse the record sheet from each class.

You will remember that last term everyone took part in the maths challenge. The classes that made most progress received the most money to spend on break-time equipment. Everything has now arrived and has been delivered to your classes. Please remember to look after the things you ordered - think about how much each item cost! It will soon be time for a new challenge - you might like to be making sure you are even more confident about your times tables than you were last time!

Each class should now have their worry box in place. It is a good place to post a note for your teacher if there is something you would like them to know. They can then either have a talk with you on your own or perhaps have a discussion with the whole class.

Mr Loukes
