Friday 22nd January 2010

Dear Parents/Carers,

Last week we reminded you about the feedback page on the school website. In order to encourage its use we would like to trial a regular feedback focus. At a recent Parents Forum it was suggested that the school journey should take place slightly later in the autumn term. This would enable Year 3 and 6 buddies to spend more time with each other at the beginning of the year. We are looking to gather your views about this so we can take them into account when making future bookings. Please use the feedback form to give your opinions.

Next week we will be raising money for the Haiti relief fund. Please note that your child may wish to bring a donation to school on Tuesday.

Abbey Girls' Choir

Both Isabelle Blain and Bryony Hulbert will be taking part in a concert at St Albans Abbey next month. The Abbey Girls' choir will be singing at St Albans Abbey on 20th February to help raise funds for their forthcoming USA tour. Further information is available in the entrance area.

Year 5 parents

Reminder - the next payment for the Manor Adventure trip (£75) is due by 1st February.

02 DVD

Don't forget to order your DVDs by the end of January.

Sports News

A group of Year 5 and 6 children represented the school in the Sportshall Athletics at Verulam last night, performing very well and taking us through to the finals. The boys' football team played well earning us a draw against St Alban and St Steven. These results are particularly pleasing in the light of sickness, injury and disruptions due to the recent snow. Well done to all members of the squads!

Book Club

Don't forget the deadline for orders is next Thursday, 28th January.

Dear Children,

3D - thank you for your assembly this morning where you reminded us about how special our world is and the importance of looking after it. You were all very well organised. Thank you for helping us to realise why we all need to do our bit to protect the environment.

This week the Eco-Action group told us about the actions we need to take to work towards our first Eco-Schools award. Don't forget to check the notice board for more information and to find out about events you may like to take part in. Our first event - the RSPB Big Schools Bird Watch - takes place next week.

One of our actions is to continue to reduce the number of car journeys people need to make to school. Our new Bike It crew are currently planning events for the spring term, so remember to tell them your ideas. They are: Lily Kattenhorn-Black, Rebekah Alagaratnam, Nivitha Muralitharan and Harvey Smith.

Thank you to all the children who worked hard to complete their On Trust roles last term. This week they have been training the children who are taking over for the spring term.

We have all been thinking about the victims of the Haiti earthquake during our conferences this week. Next Tuesday we are going to attempt to fill in a map of Haiti with as many coins as we can to raise funds towards the relief efforts.
