Dear Parents/Carers,

Thank you to everyone who completed the questionnaires at the recent parent/teacher consultations. These have now been analysed and I would like to share the results with you. The table below shows the percentages of responses in each category. I hope that the overwhelmingly positive response demonstrates a high degree of satisfaction. There are areas, however, where there is further work to do. We would like to explore these further after our return from half term. We will be using the website feedback page and parent forum to request specific feedback about certain areas. As ever, collecting suggestions from the whole school community enables us to improve the opportunities and experiences for the children of Fleetville.

Dear Children,

5N - thank you for your assembly this morning telling us about the forthcoming World Cup. You shared lots of interesting facts and reminded us of the way sport can unite people.

We enjoyed some wonderful recorder concerts last week. You had obviously been practising hard. It is always great to see and hear people performing together - it helps improve our listening and teamwork skills.

Both girls football teams were very successful in last weekend's football tournament. The 'B' team came third and the 'A' team were the overall tournament winners. Congratulations to everyone who took part. Please remember to thank Neil and Natasha for their coaching and encouragement.

This week's charity sale was organised by the girls in 6MC. They raised nearly £100 for Cancer Research. Well done!

It is good to see that many of you are using the 'Twitter Board' to share your achievements and experiences outside school. It was great to see that several Year 6 girls have set up their own Ukulele group and that they are planning to continue after they have moved on to secondary school. This is another great example of people using their initiative to achieve something really worthwhile.

Well done to those of you who remembered to bring sun hats this week - there were some sunny days at the beginning of the week!

Hopefully we will enjoy some more warm weather during and after half term.

Mr Loukes
