Dear Parents/Carers,

At a recent Parent Forum meeting it was suggested that many parents may prefer to receive letters by e-mail. Clearly, this would reduce paper and copying costs as well as contributing to our efforts to save the environment. If there are sufficient families interested in receiving letters this way, we will set up a system in the new year. Please complete and return the slip at the bottom of the newsletter to indicate your interest.

We have just managed to accommodate the applications for extra tickets for the Yr3&4 performances. You should receive your extra tickets today. May we respectfully remind you that admittance is strictly by ticket only - one ticket per person.

Year 3, 4 & 5 children should bring home today a copy of the Term and Holiday dates for 2010-2011. A copy is also available on the website.

Dear Children,

What a great experience you had at the O2 this week. You were part of a new Young Voices record being in a choir of 8130 children! If anyone's parents took photos of event and has got one of the massed choirs, we would be grateful if we could have a copy. We are sure you are looking forward to the many performances that are taking place during the next two weeks

Two weeks ago Year 6 visited Duxford Imperial War Museum. You looked at planes, submarines, torpedoes and much more from World War 2. It was interesting to look inside Concorde, especially the cockpit with its hundreds of controls! During the workshops you learnt about forces and how planes fly.

Nearly everyone came to the disco organised by the PTA last week. Once again, you all had a great time. Please remember to thank those people who made the evening possible.

At the end of term we often have some lost property left over. Please remember to check for anything you may have lost.

Think about our assembly this morning. We discussed linking with a school in Yorkshire. Write down any questions you may have or things you would like to find out about their school and community.

Sports News

Football Matches:

Unfortunately due to the bad weather we were forced to cancel the boys and girls football match against both Bowmansgreen and Wheatfields. Fingers crossed that the rain holds off so the girls are able to get their first game played on Monday against Cunningham Hill!

Orienteering:

Congratulations to all who competed in the orienteering events throughout October and November. Fleetville School as a whole did very well finishing 3rd overall in the schools league and 4th in the Maureen Webster Memorial Trophy. The next orienteering event is being held on the 12th December at Verulamium Park, please collect a letter from the school office for further details.

Cross Country:

With the Hertfordshire Schools Primary Cross Country Championships being held on 6th February, we are starting a new Cross Country running club for Years 5 and 6 in preparation for the event. The club will commence on the 12th January, primarily for 4 weeks, and will be held at Westminster Lodge athletics track from 4.30-5.30. Please go to the school office for a permission letter.
