

Fleetville's Sporting News

Spring Term 2011

Welcome to the new 'Fleetville's Sporting News' the monthly newsletter designed to inform you of up and coming sporting events and to review previous sporting achievements that have occurred throughout the term.

This side of the calendar will give a review of the previous months' sporting achievements and the other side a calendar of the dates to remember for forthcoming sporting events. Please note some additional matches and events may come up during the month and will therefore not be on the calendar but the children will be informed of these as and when they occur.

Normally, the newsletter will come out at the beginning of the month to give you as much notice as possible of coming events, however as a one off this newsletter is out at the end of the month...Now to the review!

Year 6 Boys Football League

The results of the league did not reflect how well the boys have played this term. They have been very unlucky with the results despite playing very well all term. We had one great 4-0 win against Cunningham Hill away and fought the rest of the matches till the end, with many ending in a draw. Over all, we finished 4th in our league. Everyone enjoyed a number of games and the boys showed great team spirit and sportsman ship in every match.

Girls Football League

The girls enjoyed their first season of football this year and have found out how hard it can be! They have done very well and improved greatly throughout the season showing huge commitment and enthusiasm which paid off when they celebrated their first win, 2-0 against St. Albans and Stephens. The girls continue to train hard and have a six -a- side tournament to look forward to in July. If they continue improving at the same rate the other teams had better watch out!

Quicksticks hockey

In January 6 pupils from year 6 competed in a brand new competition, Quicksticks hockey, at Verulum School. The tournament consisted of playing 3 matches against other St. Albans schools. The teams even refereed their own games, giving them an opportunity to experience the officiating side of the sport. Fleetville played and refereed excellently and won the tournament beating Wheatfields in a nail biting final game! The next round of the tournament will be held at St. Albans girl's school on Tuesday 17th May 12-3pm - letters to follow.

Basketball

Continuing with the success Fleetville competed, again for the first time, in a Basketball Partnership competition. 8 players from years 5 & 6 dribbled, shot and passed their way through the tournament ending in first place with 2 wins and 1 draw. This qualified them to go through to the county finals to compete against 5 schools where they came a very respectable 3rd in their group. Well done Fleetville Basketball team!

Year 5 & 6 Sports hall athletics competition

It was that time of year again; the very popular Sports Hall Athletics competition was upon us. Fleetville's team of 20 had been training hard at lunchtimes, trialling for each event and working on speed and technique. All of their hard work paid off when it came to competition day; Fleetville had come first in their cluster qualifying them to go through to the Partnership competition in March. Pupils enjoyed an afternoon of indoor track and field events including sprint and endurance relays, javelin, speed bounce, long jump and many more!

Speed stacking

It was year 4's turn to compete and speed stacking was their event! 4 girls and 4 boys were selected due to their impressive fast fingers and exceptional hand eye co-ordination, both important attributed required for such a sport. The team enjoyed an afternoon of both individual and team events at Wheatfields School and came 5th overall in the competition.

Congratulations to everyone who has represented Fleetville in the competitions and good luck to everyone in the next events.
