Tag Rugby year 5 & 6

On Tuesday 29th March, 2 mixed teams competed in a tag rugby tournament. Both teams managed to get through the group stages by winning one match and losing one match. They then ended up within the same next group with Wheatfields as the other competitor. After the first match, Fleetville 1 V Wheatfields (3-4), it was then time for the Fleetville 1 v Fleetville 2 match. The teams played excellently and were clearly very evenly matched as the game ended in a draw 5-5.

The annual Saracens rugby tournament was next which took place on Tuesday 4th April at Old Verulaniums rugby club, Fleetville managed to enter two teams again and democratically decided to stick with the same teams as the previous tournament. Both teams played excellently and had a really enjoyable day. They each played a great number of games which gave them plenty of experience and they all improved significantly throughout the tournament. Their team spirit was incredible, encouraging and motivating each other throughout all of the games. It was a close call but unfortunately neither of the teams made it through to the next round due to some 'unlucky circumstances' but well done to everyone who participated!

Orienteering

Congratulations to the school orienteering team who achieved fourth place in the Hertfordshire Schools League. Alex Lewis and Grace Horne each came first overall in the 'white category' with several other members of the team being placed in the top 5. Well done to all of them for their commitment to the team effort over the year.
