### RESPONSIBLE INTERNET USE

We use the school computers and Internet connection for learning. These rules will help us to be fair to others and keep everyone safe.

- I will ask permission before entering any Web site, unless my teacher has already approved that site.
- On a network, I will use only my own login and password, which I will keep a secret.
- I will not look at or delete other people's files without permission.
- I will not bring floppy disks or other recordable media into school without permission.
- I will only e-mail people I know, or my teacher has approved.
- The messages I send will be polite and sensible.
- When sending an e-mail, I will not give my home address or phone number, or arrange to meet someone.
- I will ask permission before opening an e-mail or e-mail attachments sent by someone I do not know.
- I will not use Internet Chat.
- If I see anything I am unhappy with or I receive messages I do not like, I will tell a member of staff immediately.
- I know that the school may check my computer files and may monitor the Internet sites I visit.
- I understand that if I deliberately break these rules, I could be stopped from using the Internet or computers in school.
